

WHERE YOU STUDY

Campbell River

Population: 38,000
Student number: 771

The coastal city of Campbell River is an unofficial Outdoor HQ, offering a variety of outdoor activities. The campus is equipped with state-of-the-art facilities and classrooms, including our modern kitchen and bistro. campbellriver.travel

Comox Valley

Population: 73,000
Student number: 1,812

Comox Valley campus is a hub of academic activity and community engagement. Comox Valley stretches from mountains to farmlands to beaches and offers a variety of amenities, activities and culinary expertise. discovercomoxvalley.com

Port Alberni

Population: 22,000
Student number: 400

Port Alberni lies at the head of the rich salmon fishing grounds of the Alberni inlet, and it is known for its welcoming and supportive community and intimate environment. portalbernitourism.ca

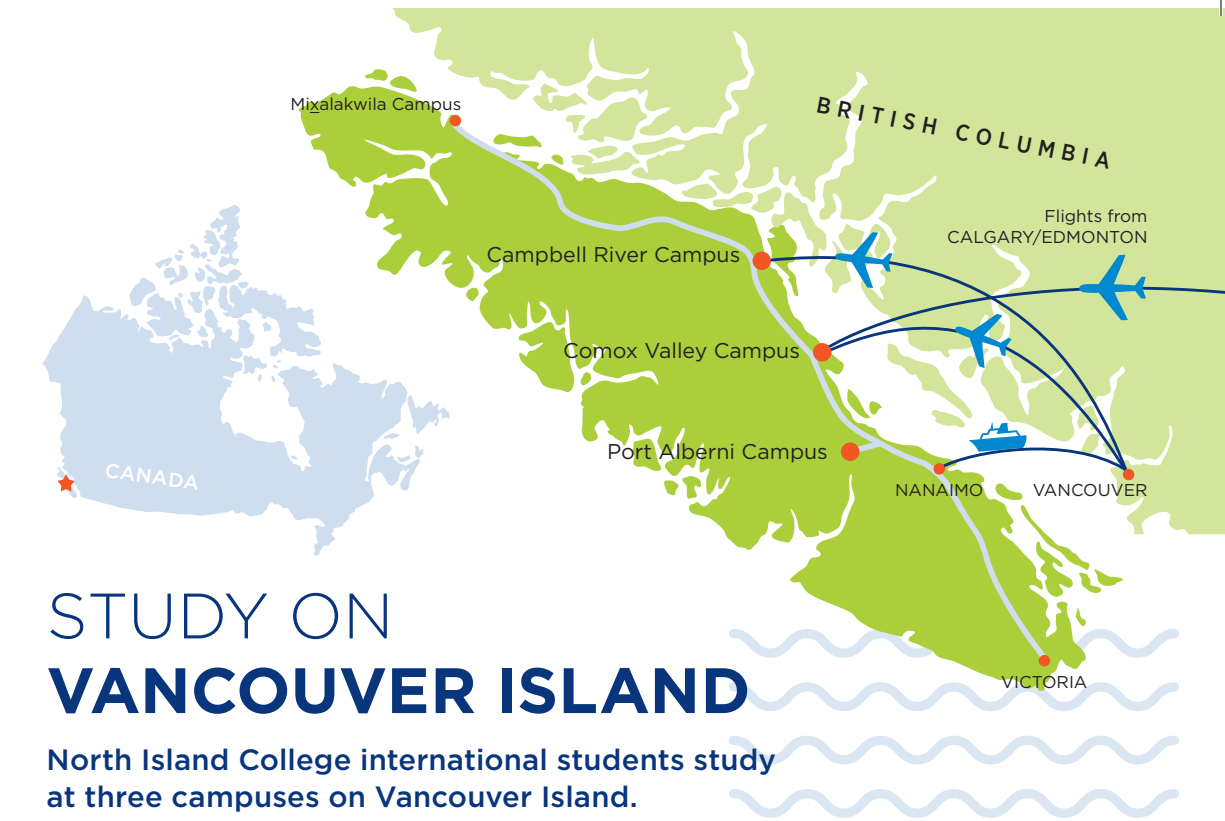

“In the future, I would like to be an early childhood educator. I would like to own my own daycare, either in Canada or in my home country. That's what's next for me.”

- Valentina Huerfano Alonso
Early Childhood Care and Education Diploma

All efforts are made to ensure information accuracy. Please note information may change without notice. The most up-to-date program information, including full admission requirements and curriculum details, is available at nic.bc.ca/international

NIC is a public institution and recognized as a Designated Learning Institution (DLI) by the Government of Canada.

BE SUPPORTED

Starting your life in another country is a big step, but it doesn't have to be challenging. We are here to help you get the most out of your experience in Canada and at NIC.

Academic and Immigration Advising

Student Employment Service

Counselling & Mental Health

Math & Writing Support

Peer Tutoring

Research Support

“Whenever I present a dish it puts a smile on the person's face. For me, that's the best feedback.”

- Kartik Goel
Culinary Business Operations

LIVE HERE AND STUDY AT NIC

Immerse yourself in a beautiful and vibrant location and discover the power of community that takes your future further. Our campus region offers an unbeatable combination of opportunity and quality of life.

NATURALLY EXTRAORDINARY

Unparalleled lifestyle — where you learn matters.

A SEA OF OPPORTUNITY

Boundless opportunities for co-ops, work integrated learning, and post graduation employment.

COMMUNITY POWERED

Where connection and collaboration make the difference.

“This is a good place; a good school and we have good teachers who are invested.”

“Anytime I needed help, there was always someone there. That's really unique to NIC.”

- Tevin Mwaura
Social Service Diploma

IMPORTANT DATES

INTAKE	JANUARY 2024	MAY 2024	SEPTEMBER 2024	JANUARY 2025
Applications Open	OPEN	OPEN	October 2023	October 2023
Application Deadline (Offshore)	August 18, 2023	December 31, 2023	April 30, 2024	August 16, 2024
Study Permit Deadline	December 15, 2023	April 19, 2024	August 16, 2024	December 13, 2024
First Day of Class	January 8, 2024	May 6, 2024	September 3, 2024	January 6, 2025

Offshore international applicants to NIC are required to meet the above deadlines. For international applicants who are already in Canada with a valid study permit, alternate dates will apply.

Applications may close without notice if programs are full. Prospective students are encouraged to submit their application as soon as the application window opens.

STEP BY STEP APPLICATION

- 1 Choose your program and check Admissions Requirements and Deadline
- 2 Apply online for the program of your choice
- 3 Make the deposit payment and receive Letter of Acceptance
- 4 Apply for study permit

Do I need an agent?

If you are from India, Bangladesh, Pakistan, Philippines, Nepal, Sri Lanka or Nigeria, you are required to work with an NIC authorized agent. To find an agent, visit international.nic.bc.ca

ADMISSION REQUIREMENTS

General admission requirements for international applicants:

- Passport valid until the end of your scheduled program
- High School Graduation or equivalent (include transcripts and graduation diploma)
- IELTS 6.0 or equivalent (Some programs may require higher IELTS scores. See Admission Requirements for more information at nic.bc.ca/international)

Math Requirements:

Students who do not meet math requirements to enter their chosen programs are offered to complete a free math assessment after the deposit payment is made.

Science and Engineering-specific Requirements:

Students entering Associate of Science or Engineering Foundation program are required to have completed courses equivalent to grade 12 math and science. If you do not have the required courses/grades, you may enter NIC's Associate degree program and upgrade your math and science.
