2. Fill out the Homestay Application
3. Provide copies of required academic documentation
4. Provide student immunization records as required

### How to apply

### Canada Homestay Network

The Lambton Kent District School Board partners with Canada Homestay Network to provide safe and caring living environments for international students. Our students will be placed with families located near their school who offer a unique Canadian experience.

“The school in Canada is very different from Italy. I enjoy the school here and have made many Canadian friends. My homestay is super nice, I love them.”

- Augusta from Italy
