Student Testimonial

"I really enjoyed how engaging all the teachers are and the overall friendliness from the entire staff. It feels very welcoming. It feels amazing to be able to take on a leadership role, as it pushes me to be more aware of my actions. I love the system for outdoor education. It has already given more a new perspective. Also, I was surprised how much the school wanted to connect with all of the students and make sure we all feel welcome."

- Grade 10 student

"If you're wondering what makes St. John's Academy Shawnigan Lake special, it can be summarized as having the most innovative of learning programs, an extraordinary location and a family atmosphere amongst our inspirational and caring staff."
